Dear Stéphane,

The 25<sup>th</sup> Annual Belliveau Motors Golf Tournament played at the Clare Golf and Country Club on August 2<sup>nd</sup> was again an outstanding success. The sportsmanship and generosity of all the teams was again quite apparent.

The **Clare Health Centre Foundation** with the support and collaboration of Belliveau Motors Limited proudly hosted the successful, sunny, fun filled day of golf. As in past years, the proceeds from the tournament will go towards the purchase of new medical equipment and for the upkeep of existing equipment at the Clare Health Centre as well as support l'Atelier de Clare, our local non-profit Adult Service/Workshop Centre.

The generosity of the business community and the citizens of the area was overwhelming for this fundraiser. We had an amazing turnout, and raised \$37,894.14 in total. Proceeds from the tournament itself (\$37,207.14) will go to the Clare Health Centre Foundation and funds raised at the putting green activity (\$687.00) went to support l'Atelier de Clare. Your attendance and support have played an important role in our event success.

In closing, the Clare Health Centre Foundation would like to personally thank you for contributing to and participating in our annual fundraising event. We hope to see you at the event again next year on July 31<sup>st</sup> 2020.

Best Regards,

  
Lionel d'Entremont
