Warden Ronnie LeBlanc
Municipality of Clare
P.O. Box 458
Little Brook, Nova Scotia B0W 1Z0

Dear Warden LeBlanc,

Thank you for your letter indicating the Municipality of Clare's support for a Doppler radar to be installed in southwestern Nova Scotia. I appreciate the engagement of municipal units across southwestern Nova Scotia on this issue.

Enclosed is a copy of my response to a letter sent by Warden Leland Anthony of the Municipality of the District of Yarmouth which provides additional information on investments being made by our Government in weather radar technology and marine safety. Also enclosed is a copy of the response provided by the Honourable Catherine McKenna, Minister of Environment and Climate Change which provides additional information on Environment and Climate Change Canada's radar network. I hope this information is helpful.

Yours very truly,

Colin Fraser, M.P.

Cc. Warden Leland Anthony
