Dear Barrister Muise,

Please find enclosed the signed deed for the parcel of land in Meteghan River I am donating to the Municipality of Clare. It should be noted that this parcel has an easement that permits the enjoyment of use of the beach along lots 2, 3, 4 & 5. The Municipality also has the right to remove gravel "the mineral rights" from said parcels also.

This donation of land is made in honor of the brave men and women who have served in the Canadian Armed Forces and the United States Armed Forces. With a special affection to those who served honorable in OPERATION ENDURING FREEDOM (Afghanistan). I am currently a Lieutenant Colonel in the Chaplain Corps of the United States Army serving with the Connecticut Army National Guard. I had the distinct honor of serving with and providing support for men and women of the Canadian Armed Forces and the United States Armed Forces in Operation Enduring Freedom (Afghanistan) in 2006-2007, and in 2010.

I would be most grateful if a statement of donation could be read into the Municipality's council minutes regarding the donation of this land.

Should you have any questions, please feel free to contact me at 207.650.1689. May you have a blessed Christmas!

Sincerely yours,

Brian Converse
